

Friendship sporting clays

Winter 2003-04

From the Managers

We would like to thank the founding Charter Members for your continued support in Friendship Sporting Clays. We will do our best to make YOUR club an enjoyable place.

In our growing stages, we have listened to you and your great ideas. We are making the following changes to the charter membership. It will now be a "Lifetime Membership" as originally planned, and will not be offered to any new members. Also, you will never have to pay monthly dues. The price for 100 clays for Charter Members will stay the same at \$25.00.

Annual memberships can still be purchased for \$325. The price for 100 clays for Annual Members will stay the same at \$28.00.

We are offering discount coupon cards to members only for a limited time. You can purchase 4 – 100 clay rounds and receive 1 free round of 100 clays. This is a great savings, and we hope you will take advantage of this offer.

Our continued success depends on our members. You can help us get the word out by asking your company to hold shooting events/fundraisers at FSC and by telling your friends and associates. We look forward to seeing you soon!

Wesley Elliot and Patrick Smith

What's New?

FSC would like to thank the Home Builders Association, State Games, Clemmons Rotary and Womble Carlyle for having successful events with us this past Summer and Fall.

Referral Program

For every referral that you make that results in a new annual membership: Charter Members will receive 1 free round of 100 clays
Annual members will receive \$25 off the annual membership renewal.

Member Day

The First Saturday of every month will be Member Day starting with January 3rd, 2004. Charter Members can shoot all day for \$25.00 and Annual Members can shoot all day for \$28.00. No discount coupons will be accepted on this day.

Picture Board

If you have any shooting snapshots you would like to share, we are putting up a board to help our members get to know each other.
